

Program Description

Adventist Health System sponsors paid internship programs designed for finance and non-finance majors who have taken business courses and are recognized as leaders on their college campus. The goal of Adventist Health System's Leadership Development Intern / Resident Program is to identify, recruit, train and retain those students who have a high level of commitment to providing quality healthcare and a strong dedication to working in a Christian environment.

Contact your college Career Centers or Business Departments to obtain more information on when our recruiter will be on your campus. Most interviews are conducted in the fall semester at Adventist colleges and universities. Candidate applications and selections are reviewed beginning in early December. If you have any other questions or concerns, please do not hesitate to contact us using the information below.
