

Timothy J. Reiner
Vice President, Revenue Management

Tim Reiner serves as vice president of revenue management for Adventist Health System. He previously served as assistant director of patient financial services at Florida Hospital Memorial System, and central billing office director at Florida Hospital Centra Care Network, before joining Adventist Health System as director of corporate patient financial services.

In his current role, Reiner leads initiatives for Adventist Health System utilizing EDI transactions, merchant services innovations, a self-service tool, business intelligence advances, and next-generation revenue cycle health information systems.

Reiner holds a bachelor of science in business administration and a bachelor of arts in English from Southern Adventist University and a masters in business administration from Webster University.
